Now, why not hoping Play with Your Food that give your enjoyment preference will be satisfied through reading this book. Reading addiction all over the world can be said as the method for people to know world better then how they react toward the world. It can't be explained constantly that reading behavior only for the geeky man but for all of you who wants to be success person. So , for all you who want to start reading as your good habit, it is possible to pick Play with Your Food become your own personal starter.

#### **Catherine Cote:**

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Play with Your Food can make you truly feel more interested to read.
