Random Acts of Management: A Dilbert Book Scott Adams

In *Random Acts of Management*, cartoonist Scott Adams offers sardonic glimpses once again into the lunatic office life of Dilbert, Dogbert, Wally, and others, as they work in an all-too-believably ludicrous setting filled with incompetent management, incomprehensible project acronyms, and minuscule raises. Everyone, it seems, identifies with Dilbert, who struggles to navigate the constant tribulations of absurd company policies and idiot management strategies.
