## **A River Never Sleeps** Roderick L. Haig-Brown

Few books have captured the haunting world of music and rivers and of the sport they provide as well as *A River Never Sleeps*. Roderick L. Haig-Brown writes of fishing not just as a sport, but also as an art. He knows moving water and the life within it—its subtlest mysteries and perpetual delights. He is a man who knows fish lore as few people ever will, and the legends and history of a great sport.

Month by month, he takes you from river to river, down at last to the saltwater and the sea: in January, searching for the steelhead in the dark, cold water; in May, fishing for bright, sea-run cutthroats; and on to the chilly days of October and the majestic run of spawning salmon. All the great joy of angling is here: the thrill of fishing during a thunderstorm, the sight of a river in freshet or a river calm and hushed, the suspense of a skillful campaign to capture some half-glimpsed trout or salmon of extraordinary size, and the excitement of playing and landing a momentous fish.

*A River Never Sleeps* is one of the enduring classics of angling. It will provide a rich reading experience for all who love fishing or rivers.

Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
