**Sixteen original stories about magic-fueled crimes and those who investigate them**

When magic is used for criminal purposes, all sorts of ethical and logistical questions arise beyond the realm of everyday law and order.

Now, sixteen top tale-tellers offer fascinating new stories of those who commit magic crimes, those who investigate them, and those who prosecute them. From a young woman who uses out-of-body excursions to research paranormal crimes to a bookie who's been paying for hex protection against magical interference to an artist who does divination through his sketched visions which may lead to a murderer's undoing, here are powerful tales of magical crimes and punishments.
