With its extensive and often turbulent history, Florida is a fitting home to some restless spirits. Author Joyce Moore has traveled around the state and gathered stories about strange happenings and ghostly presences. Not only historic homes, but also theatres, parks, and cultural centers are the focus of some hauntings. You will find each site's history and character; its "haunt history," which includes interviews with owners and caretakers; and nearby attractions and facilities for those brave enough to explore these supernatural occurrences more closely.
