The Sharp sisters are bold, bright, sassy, stylin', and fierce. As the daughters of mayoral candidate Stanley Sharp, all eyes are on them as they attend high school. Every choice they make can make or break their father's campaign—and make or break their own chances for success.

Desperate to measure up to her talented older sisters, Yuri Sharp wants to become a top pastry chef. But while learning the ropes at a local bake shop, Yuri discovers that corners are being cut, and people are getting sick. Speaking up has already landed her on the wrong side of a violent school gang. Will Yuri keep her silence this time, or will she be forced to speak up and accept whatever consequences may come?
