Hardwired

Trisha Leaver, Lindsay Currie

Hardwired Trisha Leaver, Lindsay Currie

When Lucas tested positive for the warrior gene—a genetic abnormality believed to predispose humans to violence—he was shipped off to the Bake Shop, an impregnable government facility. There, he underwent a battery of psychological tests aimed at making him crack. Now, labeled safe to return to normal life, he’s ready to put the horrific experience behind him.

Then the van transporting him home is forced off the road by a group of rebels who insist there’s more going on at the facility than anyone knows. To find the truth and save a friend’s brother who’s being held prisoner, Lucas infiltrates the Bake Shop’s inner sanctum. But a power outage leads to a security breach that strands Lucas in the dark . . . with a prison full of potential killers who could snap at any moment.

Praise:

“This fast-paced, not-so-distant dystopian futuristic tale will appeal to teen readers. A must-have for libraries seeking dystopian futures.”—*School Library Journal*

From reader reviews:

Wayne Santiago:

Why don't make it to become your habit? Right now, try to ready your time to do the important act, like looking for your favorite e-book and reading a reserve. Beside you can solve your problem; you can add your knowledge by the book entitled Hardwired. Try to make book Hardwired as your friend. It means that it can be your friend when you really feel alone and beside that of course make you smarter than in the past. Yeah, it is very fortunated to suit your needs. The book makes you considerably more confidence because you can know anything by the book. So , let's make new experience as well as knowledge with this book.

Patricia McGuire:

Book is definitely written, printed, or outlined for everything. You can know everything you want by a book. Book has a different type. As we know that book is important matter to bring us around the world. Adjacent to that you can your reading expertise was fluently. A publication Hardwired will make you to be smarter. You can feel far more confidence if you can know about every thing. But some of you think that open or reading a new book make you bored. It's not make you fun. Why they can be thought like that? Have you seeking best book or ideal book with you?

Pablo Bussey:

People live in this new day of lifestyle always aim to and must have the extra time or they will get lots of stress from both day to day life and work. So , when we ask do people have free time, we will say absolutely of course. People is human not really a robot. Then we consult again, what kind of activity do you have when the spare time coming to anyone of course your answer can unlimited right. Then ever try this one, reading textbooks. It can be your alternative in spending your spare time, typically the book you have read is actually Hardwired.

Ruth Coleman:

Is it a person who having spare time subsequently spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This Hardwired can be the respond to, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these guides have than the others?
