What would you do for five million dollars? Adam and Evia Langston have lived in their own little garden of Eden since the two married at the age of seventeen. Working their way up from the humblest of beginnings, the Langstons have thrived beyond anything they could have ever imagined. Now they live in the finest home, drive the best cars, and indulge in all the trimmings that signify their massive success.

But then the recession hits and rips apart the family's financial stability. Unable to support their three children and other relatives, Adam and Evia find themselves drowning in financial trouble and teetering on the brink of complete disaster. With nowhere to turn, the Langstons have no idea what to do.

Until Shay-Shaunté, Evia's multimillionaire boss, comes to the Langstons with a five-million-dollar offer that seems so hard to refuse. Will the Langstons make this deal? Or will they recognize that the glitter of five million dollars may be far from gold?
