Johannes Cabal: The Fear Institute (Johannes Cabal Novels Book 3) Jonathan L. Howard

A Darkly Gripping Comic Fantasy

Beyond the wall of sleep lies the Dreamlands, a world formed by dreams, but not a dream itself. For countless millennia, it has been explored only by those with a certain detachment from mundane reality, its strange seas navigated and its vast mountains climbed by philosophers, mystics, and poets. Well, those halcyon days are over, beatniks.

Johannes Cabal is coming.

Cabal, a necromancer of some little infamy, is employed by the mysterious Fear Institute to lead an expedition into the Dreamlands, an expedition to hunt and destroy the dread Phobic Animus, the font of terrors, the very source of all the world's fear. They will enter exotic lands where magic is common and monsters abound. Cabal will encounter witches, vile abominations, and far too many zebras. And, when they finally come close to their goal, Cabal will have to face his own nightmares. But for a man who communes easily with devils and the dead, surely there is nothing left to fear. . . .
