La cultura. México (1930-1960) (Spanish Edition)

Ricardo Pérez Montfort

La cultura. México (1930-1960) (Spanish Edition) Ricardo Pérez Montfort

Un completo panorama de la vida cultural e intelectual en México en el que se repasan los procesos de institucionalización de la cultura mexicana entre 1930 y 1960, cuando se produce el tránsito de una reivindicación de la cultura popular a una cultura promovida por el Estado.

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

Distinciones:

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial
