"How can I tell you about someone who changed my life forever and could very well change your life too? To me, she was the most beautiful creature on earth. But she was not human. "She was not a deity while living here with me, but I believe she is now a messenger from heaven. There are times when I painfully miss her, but her spirit lives with me forever. And when I tell you about Tasha's spirit, believe me when I tell you Tasha's spirit is not just a "memory" that lives inside me. Her spirit is very real, but so is her presence. Tasha's presence is often outside of me, right next to me, in the same room with me, sitting at my feet, and at times I can literally smell her sweet fur, inhale her warm breath, and sense her angelic tongue as she kisses the same way she kissed me a thousand times before. She is here." In *Tasha: The Canine Angel Who Saved My Life*, author Mike Shackleford Holt unfolds the mystique and wonder of animals, wild and domestic. Mike also shows you how these creatures are messengers of God, if you have the will to perceive their profound messages.
