Mr. Global Leather has been murdered!

In the Grand Sterling Hotel of Midtown Manhattan, home of the huge annual leather/BDSM/fetish ball and contest known as Mr. & Ms. Global Leather, last year's male winner lies dead on the floor of his suite, wearing only very frilly, bright yellow panties. Cormac "Mack" Steel made a lot of enemies in his year wearing the studded leather sash, not the least being his co-winner, Mistress Ravenfyre. But she is not alone - there are over 3,000 attendees at this year's fetish-festooned event from all over the world, some of whom might have had some very personal issues with the corpse.

Enter Detective Rebecca Feldblum of the Midtown East Precinct. Assigned to this doozy of a case because, as one of New York City's only out lesbian detectives, her lieutenant seems to believe these are "her people". Shocked, amazed and alternately puzzled and amused, Detective Feldblum must navigate a world of doms and subs, masters and mistresses, pups and trainers, leather, latex and lingerie, and discover who murdered the late Mack Steel - and, she hopes, do it before the weekend is over and everyone goes home. In the process, she will discover more about the sexual underworld than she ever really wanted to know, and more about her own past than she could have ever imagined.

Written in the classic spirit of Sharyn McCrumb's *Bimbos of the Death Sun*, *The Killer Wore Leather* is both an engaging mystery and a humorous glimpse into the world of modern, pansexual international leather/BDSM contests and conferences. Only Laura Antoniou could write *The Killer Wore Leather*. In addition to being the author of the best-selling Marketplace series of erotic novels, she has over 20 years of experience teaching, speaking to, and occasionally skewering the alt-sex communities around the world. With a wicked sense of humor, insider information and a twisted imagination, she crafts a spicy melange of mystery and mayhem!

*The Killer Wore Leather* is a deliciously tongue-in-cheek murder mystery set at a leather convention, allowing listeners into this private world of personalities and peccadilloes. It's the kinkiest game of clue ever, with a sex toy as the murder weapon, and every leather man and woman lacks an alibi. Cleverly crafted and highly humorous, Antoniou is at her wicked best in this pause-resistant fetish fest. Laura is the best-selling author of the classic BDSM series The Marketplace, which has sold more than 400,000 copies and been translated into five languages.
