**The Secret Flower: and other stories** Jane Tyson Clement

**It won't take you long to see** why Jane Tyson Clement's short stories have become perennial favorites for adults and children alike. Written with a measured beauty that recalls Tolstoy and Tolkien, these tales are rich in allegorical symbolism and evocation of mood. They are infused throughout with the thrill of expectancy, a sense that something new is on the way, and a certainty that God is seeking us, just as we seek him. In an age where cleverness often counts more than substance, Clement's stories offer a break from all the noise.
