Acts of the Apostles (Fortress Biblical Preaching Commentaries)

Ronald J. Allen

Acts of the Apostles (Fortress Biblical Preaching Commentaries) Ronald J. Allen

Acts of the Apostles helps the preacher identify possibilities for sermons based on texts and themes in the book of Acts. While offering a basic exegetical framework for interpreting passages in Acts in their historical, literary, rhetorical, and theological contexts, this volume also suggests ways in which the preacher can relate passages and motifs from Acts to the congregation and world today. It also is useful in classes that seek to link text and sermon, and for congregational Bible study.

Throughout his commentary, Ron Allen examines the relationship of Acts to the Gospel of Luke, discussing parallel passages between the two volumes and observing how themes in the Gospel carry forward into Acts. He notes how particular passages contribute to developing themes and to how the awareness of such a theme can contribute to the preacher's work with a particular passage. An appendix will posit several sermon series that the preacher could develop on the book of Acts, making the book especially useful to ministers who do not follow the lectionary.
