The Accidental Duchess Jessica Benson

Dear Reader,

I married the wrong man.

I had every intention of doing the thing right. Of saying my vows and walking out on the arm of Bertie Milburn. Nice, safe, easygoing Bertie. And that is precisely what I thought I had done.

But as it turned out, I'd been tricked! Tricked into marrying Bertie's twin brother Harry, the Earl of Cambourne and (as my mother would insist on reminding me at every opportunity) future Duke of Winfell! And the shocking way in which I found out -- on my wedding night, no less...well, it doesn't bear repeating here!

And the truth is that Harry, who is my husband, but should not be, makes my hands shake and my heart pound in a way that Bertie never has and never will. Vexing, dangerously charming Harry, who won't tell me why he had to marry me, why he insists on masquerading about town as his brother, or most bothersome still, why he won't stop that annoying (and rather excitingly successful) habit of trying to seduce me!

What is a young lady to do?

Gwen

From reader reviews:

John Solorio:

What do you with regards to book? It is not important along? Or just adding material when you need something to explain what your own problem? How about your time? Or are you busy man? If you don't have spare time to complete others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They should answer that question due to the fact just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is correct. Because start from on kindergarten until university need this particular The Accidental Duchess to read.

Melvin Robinson:

Here thing why this specific The Accidental Duchess are different and reliable to be yours. First of all reading through a book is good but it depends in the content of computer which is the content is as scrumptious as food or not. The Accidental Duchess giving you information deeper as different ways, you can find any reserve out there but there is no guide that similar with The Accidental Duchess. It gives you thrill looking at journey, its open up your own personal eyes about the thing that happened in the world which is possibly can be happened around you. You can actually bring everywhere like in park your car, café, or even in your means home by train. If you are having difficulties in bringing the branded book maybe the form of The Accidental Duchess in e-book can be your substitute.

Jonathan Ouzts:

Nowadays reading books be a little more than want or need but also work as a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge your information inside the book which improve your knowledge and information. The information you get based on what kind of guide you read, if you want send more knowledge just go with education and learning books but if you want sense happy read one with theme for entertaining including comic or novel. Typically the The Accidental Duchess is kind of book which is giving the reader unforeseen experience.

Kurt Bohnert:

Within this era which is the greater man or who has ability in doing something more are more precious than other. Do you want to become certainly one of it? It is just simple approach to have that. What you should do is just spending your time not much but quite enough to experience a look at some books. One of several books in the top collection in your reading list will be The Accidental Duchess. This book which can be qualified as The Hungry Inclines can get you closer in turning out to be precious person. By looking up and review this guide you can get many advantages.
