Look Out for Falling Stars

Charlotte “Lottie” Love has a thing for celebrity. Actually, it’s more of an obsession. All her life she’s lurked in the shadows of Hollywood, desperate to step into the light. When she lands a job at *Personality* magazine, her dreams of red-carpet strolls, popping flashbulbs, and the attention of white-hot heartthrobs finally start to come true. Even Hollywood’s latest “It” boy falls for her, and everyone wants his story. Can Lottie score the scoop? Ask Lem Brac, a British boozehound in the twilight of a mediocre career who knows an exclusive with the It boy would save his job. Lem looks for help from his new (and only) friend—Mike Posner, a young hotshot reporter just hired away from a New York tabloid. But Mike has some damaging secrets himself that are about to surface. He needs the interview too, and it’s anyone’s guess how far he’ll go to get it.

Welcome to the world of entertainment journalism and star worship, where you’re only as good as the gossip you dig up. Written by a former *People* magazine correspondent who knows the underbelly of Hollywood hearsay all too well, *They're Not Your Friends* slips past the velvet rope and grants access to a wickedly funny—and sometimes scary—celebrity magazine scene.

From the Trade Paperback edition.
