Have you ever wondered what Adam really said to Eve? Or what God said to Job? Learning Hebrew can be easy - and fun. This book shows you how to master the essentials of the language in clear, simple steps - starting right from scratch with the Hebrew alphabet on how to read passages from the Bible itself. There are simple exercises (including answers), a word list, and plenty of examples throughout. Whether you are studying in a group or by yourself, this book will make the words of the Bible come alive in a way you never imagined before. 'For learning Hebrew, the best way is to have an expert by your side. Here is the next best thing - Hebrew without such an aid and without tears!' Lord Coggan (formerly Archbishop of Canterbury).
