Camillas ring. Not just any ring, but also the trigger to an amazing story. Documenting the voyage of Saraha once-privileged and aristocratic member of Iran's elite society as she finds herself robbed and alone in a foreign country, Camillas Ring is a fast-paced, cosmopolitan novel with a cast of characters worthy of The Third Man. It follows Sarah from Iran to Italy from the rule of the Shah to the Iranian revolution from bombings by Saddam's warplanes to battles with international corruption; and affords a rare insight into the clandestine realm of elite Iranian and Italian societies.
