Based on designs of stained glass rose windows, these 31 images are specially shaded so that they will simulate the luminescence of actual stained glass when colored with wax crayons. Translucent colors work best to achieve this sparkling special effect. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, *Rose Windows* and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.
