Nature in its beauty in the early morning of a very hot day at the North Sea coast. Captured in these quiet moments where you just hear the seagulls and the wind. The soft sand gives way under your feet and you want to stop time. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
