The Academy (The Marketplace Series) (Volume 4) Laura Antoniou

The Academy: Tales of the Marketplace continues the brilliant saga of resolute slaves and exacting owners begun in previous volumes. A dynamic culture of honor and duty embracing absolute servitude is the basis for the clandestine society known as The Marketplace. Sensuality, intelligence, and passion meld into exquisite eroticism and scenes of blazing sexuality. In "The Academy" we follow Chris Parker and his trainee, Michael LaGuardia, to Japan, where a conclave of trainers is taking place. While the trainers swap cautionary tales and debate protocol, though, moves are being made that may change the Marketplace, and Chris's place in it, forever. This complete, full-length novel is a rich tapestry of sexuality and emotion, augmented by the inclusion of short stories by guest authors Karen Taylor, Cecilia Tan, Michael Hernandez, david stein, and Christian Muncy.
