## **Almost a Great Escape: A Found Story** Tyler Trafford

Following his mother's death in 2004, Tyler Trafford discovers an album of old letters and creased photographs that reveal a mother he never knew, a man he's never heard of, and a love affair doomed by class and circumstance. The letters are from Jens Müller, a Norwegian pilot who trained in Canada during the early days of World War II, one of only three prisoners who would make it home after The Great Escape. In *Almost a Great Escape*, Trafford takes us on a journey of emotional discovery and dramatic disclosure as he reconstructs his mother's life, from her youth as a wealthy Montreal debutante to her final days as a broken but unbent casualty of a loveless marriage. His search for answers takes him across Canada and then across the ocean to Norway, hoping to learn more about the mystery of this secret relationship. Written with a fluidity fueled by heart-wrenching honesty, Trafford's unconventional memoir confirms that while you can survive your past, you can never escape from it. *Almost a Great Escape* includes photographs as well as excerpts and reproductions of telegrams and letters Jens sent from England and Stalag Luft III.
