Operazione Filadelfia (Italian Edition)

Simonetta Scotto

Operazione Filadelfia (Italian Edition) Simonetta Scotto

Da un laboratorio scientifico di Filadelfia, adibito allo studio di armi chimiche e biologiche, scompaiono misteriosamente un medico e il contenitore di un battere pericolosissimo, in grado di sterminare, in pochi giorni, l'intera popolazione mondiale. James Clark e Steve Harris, i due migliori operativi dei Servizi Segreti, legati da una profonda e fraterna amicizia, vengono incaricati del delicato compito di ritrovare il battere, il medico (colpevole o vittima?) e gli autori del furto. Inizia così una nuova missione per i due agenti che dovranno impedire che il folle ladro, prima di essere catturato, possa disperdere il battere killer nell'aria o nell'acqua, causando così la morte di milioni di persone.

La loro sarà una corsa contro il tempo, irta di ostacoli e di pericoli, nel susseguirsi incalzante degli avvenimenti che li condurrà alla soluzione finale.

Simonetta Scotto, genovese di nascita e di cultura, si presenta, come i suoi personaggi, sotto parziale "copertura". Al suo nome vero "Simonetta" ha preferito accostare il cognome "Scotto", nome di famiglia ma non suo di nascita.

Ha compiuto studi classici al Liceo e scientifici all'Università. Il suo sogno sarebbe stato quello di entrare nell'Accademia della Marina Militare di Livorno per seguire le orme dei suoi Avi materni; purtroppo allora non era ancora concesso alle ragazze di accedervi.

Ha lavorato e lavora a fianco del marito in ambito sanitario; sposatasi molto giovane, ha due figlie splendide e quattro splendidi nipoti.

La sua vocazione di scrittrice è nata, alcuni anni fa, da un sogno; da allora ha scritto numerosi romanzi. "Operazione Filadelfia" è il terzo romanzo pubblicato, dopo "La morte non la puoi ingannare" e "Magda Dexter".

E' la prima donna italiana a scrivere libri d'azione.

From reader reviews:

Kai Martin:

As people who live in typically the modest era should be update about what going on or info even knowledge to make them keep up with the era and that is always change and make progress. Some of you maybe will update themselves by examining books. It is a good choice for yourself but the problems coming to a person is you don't know which you should start with. This Operazione Filadelfia (Italian Edition) is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Mildred Lucas:

Reading a publication tends to be new life style on this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Having book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or even their experience. Not only the story that share in the publications. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some study before they write with their book. One of them is this Operazione Filadelfia (Italian Edition).

Ryan Moore:

Do you have something that you enjoy such as book? The publication lovers usually prefer to pick book like comic, brief story and the biggest the first is novel. Now, why not attempting Operazione Filadelfia (Italian Edition) that give your fun preference will be satisfied by means of reading this book. Reading routine all over the world can be said as the means for people to know world considerably better then how they react toward the world. It can't be stated constantly that reading habit only for the geeky man but for all of you who wants to be success person. So , for every you who want to start looking at as your good habit, it is possible to pick Operazione Filadelfia (Italian Edition) become your current starter.

Derick Heinz:

Your reading 6th sense will not betray a person, why because this Operazione Filadelfia (Italian Edition) publication written by well-known writer we are excited for well how to make book that can be understand by anyone who have read the book. Written within good manner for you, dripping every ideas and producing skill only for eliminate your current hunger then you still skepticism Operazione Filadelfia (Italian Edition) as good book not just by the cover but also by the content. This is one reserve that can break don't ascertain book by its include, so do you still needing another sixth sense to pick this!? Oh come on your reading through sixth sense already told you so why you have to listening to another sixth sense.
