## **The Gatekeeper's Daughter: Gatekeeper's Saga, Book Three** Eva Pohler

In *The Gatekeeper's Sons*, Therese and Thanatos, the god of death, met and fell in love. In *The Gatekeeper's Challenge*, they did everything they could to be together, even break an oath on the River Styx. But the Olympians don't tolerate oath-breakers. In this third book in the saga, *The Gatekeeper's Daughter*, Therese may have finally succeeded in becoming a goddess, but if she wants to remain one, she'll not only have to discover her unique purpose, but also make some allies among the gods. Artemis sends her on a seemingly impossible quest across the world, while Than searches for a way to appease Ares. To make matters worse, her baby sister's life depends on the outcome of her quest.
