Drawing of the Hand (Dover Art Instruction)

Joseph M. Henninger

Drawing of the Hand (Dover Art Instruction) Joseph M. Henninger

According to expert instructor Joseph M. Henninger, the hand is not difficult to draw when its construction is well understood. In this guide for intermediate and advanced art students, Henninger devotes the first section to the anatomy of the hand and forearm. He also shares basic but seldom observed facts concerning comparative measurements. A helpful glossary provides Latin terms, English translations, and descriptions of the hand muscles' functions.

Drawings of the hand constitute the major portion of this volume, consisting mostly of adult male and female hands, followed by children's and babies' hands. The final section comprises a portfolio of drawings by Old Masters and contemporary artists, many accompanied by the author's insightful comments.

From reader reviews:

Steven Ward:

With other case, little individuals like to read book Drawing of the Hand (Dover Art Instruction). You can choose the best book if you'd prefer reading a book. Providing we know about how is important any book Drawing of the Hand (Dover Art Instruction). You can add knowledge and of course you can around the world by way of a book. Absolutely right, due to the fact from book you can realize everything! From your country till foreign or abroad you will be known. About simple matter until wonderful thing you may know that. In this era, we are able to open a book or even searching by internet system. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's examine.

Scott Marin:

In this 21st hundred years, people become competitive in each and every way. By being competitive right now, people have do something to make these survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Yeah, by reading a guide your ability to survive enhance then having chance to stay than other is high. For you personally who want to start reading the book, we give you this kind of Drawing of the Hand (Dover Art Instruction) book as beginner and daily reading e-book. Why, because this book is greater than just a book.

Emma Anderson:

Reading a guide tends to be new life style with this era globalization. With studying you can get a lot of information that will give you benefit in your life. Using book everyone in this world can share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their own reader with their story as well as their experience. Not only situation that share in the textbooks. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors in this world always try to improve their ability in writing, they also doing some research before they write on their book. One of them is this Drawing of the Hand (Dover Art Instruction).

Fay Harris:

Is it you actually who having spare time and then spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Drawing of the Hand (Dover Art Instruction) can be the respond to, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this completely new era is common not a geek activity. So what these guides have than the others?
