Julia Nathaniel Cohen

The Children's Psalm-Book, a Selection of Psalms With Explanatory Comments, Together With a Prayer-Book for Home Use in Jewish Families (Classic Reprint) Julia Nathaniel Cohen

This little volume is an attempt to help Parents in the anxious task of moulding the first conscious efforts towards abstract thought in the minds of their children. Little children always seem to have a very present consciousness of the existence of a supernatural power, as though the voice that breathed life into them still echoed within them. It is the Parents task reverently to use this inborn instinct, in order to stimulate the development of the higher impulses of humanity. If this consciousness be stimulated recklessly or injudiciously, it may lead to superstition and to the miseries of nervous terror, and all the attendant evils of cowardliness, deceit, and untruthfulness. But if it be treated wisely, that mysterious consciousness develops into a loving trustfulness in the goodness of the Great Power, and lends courage and comfort at many a critical moment both of childhood and after-life. It is the basis of every form of moral teaching, and of that great fundamental doctrine of Judaism, the direct personal responsibility of every human being to the One Divine Power.
