Astrology, Psychology & the Four Elements: An Energy Approach to Astrology & Its Use in the Counseling Arts Stephen Arroyo

A modern classic and international best-seller that revolutionized modern understanding of astrology, this book is truly a pioneering work that established a new science of astrological psychology. It clearly presents a language of energy that enables astrology to be reliably used by those in the helping professions as well as by the general public. As Library Journal stated, "Transcending the boundaries of separate disciplines, this work represents a major distillation of astrological principles."
