Bosnian Chronicle: A Novel

Ivo Andric

Bosnian Chronicle: A Novel Ivo Andric

Set in the town of Travnik, *Bosnian Chronicle* presents the struggle for supremacy in a region that stubbornly refuses to submit to any outsider. The era is Napoleonic and the novel, both in its historical scope and psychological subtlety, Tolstoyan. In its portrayal of conflict and fierce ethnic loyalties, the story is also eerily relevant. Ottoman viziers, French consuls, and Austrian plenipotentiaries are consumed by an endless game of diplomacy and double-dealing: expansive and courtly face-to-face, brooding and scheming behind closed doors. As they have for centuries, the Bosnians themselves observe and endure the machinations of greater powers that vie, futilely, to absorb them. Ivo Andric's masterwork is imbued with the richness and complexity of a region that has brought so much tragedy to our century and known so little peace.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
