**Do we make our own destinies? Can we alter the courses of our lives?** Cynthia Freeman's *New York Times* bestselling novel will resonate with anyone who has ever dreamed of a second chance

Twenty-five years ago, Martin Roth made the most difficult decision of his life. He gave up the girl he loved, married a different woman, and raised a family. But he's just been given another shot at happiness.

Sylvia has loved Martin since she was a young girl. They have two great children and a wonderful life together—until a love from Martin's past threatens everything she's worked so hard to build.

Jenny McCoy can't believe she and Martin have found each other again—but she's never gotten over his cruel betrayal. Is she ready to forgive the sins of the past for a second chance?

Moving between countries and across time, *Illusions of Love* tells the story of a man, his heritage, and the crisis of faith that brings his life to a crossroads.
