Nuovi bisogni finanziari: la risposta del microcredito (Studi e ricerche) (Italian Edition) Antonio Andreoni, Marco Sassatelli, Giulia Vichi

Mentre in Europa il settore del microcredito si consolida e viene da più parti promosso come una delle risposte alla crisi economica e finanziaria, sul versante italiano si registrano preoccupanti segni di ritardo. A quasi un decennio dalle prime sperimentazioni, infatti, il microcredito nel nostro paese sembra ancora intrappolato in una fase di avviamento. Oltre ad analizzare le ragioni di tale mancato decollo, il volume illustra una serie di modelli operativi, tecniche e strategie di risposta finalizzati al superamento dei limiti del settore in Italia, inquadrandoli all'interno di una agenda di politiche per il microcredito.
