**Oncologia Ginecologica (Spanish Edition)** Neville F. Hacker, Jonathan S. Berek

Oncologia Ginecologica de Berek y Hacker llega a su quinta edicion con una exhaustiva actualizacion de los contenidos a partir de la revision critica de la reciente bibliografia sobre oncología ginecológica. Después de la gran acogida y del éxito de las ediciones previas, esta nueva edición mantiene como objetivo aplicar la ciencia básica y clínica a la práctica clínica de la oncología ginecológica. Los contenidos se organizan en cuatro partes que tratan los aspectos generales de la oncología ginecológica, las zonas de afectación, los aspectos médicos y quirúrgicos, y la calidad de vida de los pacientes. Se incorpora además un nuevo capítulo sobre cáncer y gestación. El nuevo diseño a todo color incluye un gran número de tablas y cuadros para ayudar a la estadificación de la paciente y todos los capítulos incorporan puntos clave con referencias de fácil lectura. El texto se completa con más de 300 ilustraciones en color.
