**Psychological Testing and Assessment** David Shum, John O'Gorman, Brett Myers

Administering psychological tests and conducting psychological assessments are core skills for psychologists and, increasingly, for a range of professionals in health and business. Psychological Testing and Assessment, written especially for students, provides the latest theory, research and analysis of best practice in the field. Comprehensive yet concise, the book uses real-life examples drawn from the authors' extensive experiences in the field to focus attention on the process of psychological assessment.
