Travels with My Hat Christine Osborne

The remarkable story of how an Australian nurse became an award-winning travel writer and acclaimed photographer working alone in some of the most offbeat places on earth. This was trailblazing travel in a time well before the internet: before travel rating websites advised where to stay and before mass tourism disturbed the culture of many countries. In 1979 Christine Osborne travelled with the Buckingham Palace Press Corps to cover Her Majesty Queen Elizabeth's tour of the Arab states. The hat incident of the title refers to a moment in Nizwa, in the Sultanate of Oman, when the Queen became separated from the royal party in the labyrinthine souq. Christine's other adventures in Yemen, Pakistan, Morocco, Ethiopia and Iraq are rounded off with letters to her mother who had never left Australia. *Travels with My Hat: A lifetime on the road* is an extraordinary account by a cool-headed young woman carrying her camera-bag and wearing her trusty blue hat.
