A Journey into Russia

Jens Mühling

A Journey into Russia Jens Mühling

The recent crises in Ukraine have reminded us that Russia's interests run counter to those of many other nations, but what of the Russian and Ukrainian people themselves? What kind of lives are they leading, and what are their feelings toward the political regime that has so inflamed the West?

When German journalist Jens Mühling met Juri, a Russian television producer selling stories about his homeland, he was mesmerized by what he heard: the real Russia and Ukraine were more unbelievable than anything he could have invented. The encounter changed Mühling's life, triggering a number of journeys to Ukraine and deep into the Russian heartland on a quest for stories of ordinary and extraordinary people. Away from the bright lights of Moscow, Mühling met and befriended a Dostoevskian cast of characters, including a hermit from Tayga who had only recently discovered the existence of a world beyond the woods, a Ukrainian Cossack who defaced the statue of Lenin in central Kiev, and a priest who insisted on returning to Chernobyl to preach to the stubborn few determined to remain in the exclusion zone.

Unveiling a portion of the world whose contradictions, attractions, and absurdities are still largely unknown to people outside its borders, *A Journey into Russia* is a much-needed glimpse into one of today's most significant regions.

From reader reviews:

Mitchell Diaz:

Information is provisions for anyone to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider whenever those information which is within the former life are challenging be find than now's taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you get the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take A Journey into Russia as the daily resource information.

Roger Bennett:

Reading a book to be new life style in this year; every people loves to examine a book. When you study a book you can get a lots of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your study, you can read education books, but if you act like you want to entertain yourself look for a fiction books, such us novel, comics, as well as soon. The A Journey into Russia will give you a new experience in reading through a book.

Jacqueline Ramos:

What is your hobby? Have you heard in which question when you got students? We believe that that problem was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. And you know that little person similar to reading or as reading become their hobby. You have to know that reading is very important in addition to book as to be the issue. Book is important thing to provide you knowledge, except your own teacher or lecturer. You get good news or update in relation to something by book. Many kinds of books that can you choose to adopt be your object. One of them is this A Journey into Russia.

Bethany Zuniga:

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information from a book. Book is composed or printed or highlighted from each source this filled update of news. In this modern era like at this point, many ways to get information are available for you actually. From media social including newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your understanding by that book. Isn't it time to spend your spare time to spread out your book? Or just in search of the A Journey into Russia when you desired it?
