This map covers the following areas:

Main London Map 1:20,000

London Underground Map - London Tube Map

London Museum Index

If you love to wander through a museum and ponder the offerings within, then London will inspire you. If you love to wander through a city soaking up all the culture to be found, then the ARTWISE® London Museum Map will reward you.

First and foremost to see is the incredible British Museum. Here are the world's great treasures like the Rosetta Stone and the Elgin Marbles. Nine departments house everything from the Bronze Age to Modern cartoons displayed on three sprawling floors. Spend even a short time here and you'll understand why this is one of the largest and finest repositories of human culture on earth.

With the ARTWISE® London Museum Map in hand, you can take a charming walk, with a brief stop for tea, through Convent Garden on your way to the National Gallery, which houses more than 2,300 paintings dating from 1250 - 1900 AD. It is said that this is the greatest collections of European painting in the world. See for yourself as you gaze upon Carravaggio, Botticelli, daVinci, Michelangelo, Rubens, Rembrandt, Vermeer, Monet, Van Gogh and Cézanne hung in galleries that would cover over 9 football fields.

Cross the Thames via one of the many footbridges and spend the day exploring the south bank where you can pay homage to the wild genius of Salvador Dali at Dali Universe. Then take a leisurely stroll east along the Thames embankment (Queen's Walk) to visit the Tate Britain for an injection of contemporary art.

The ARTWISE® map of London will enhance your experience of London. It will help organize your time and chart your course around central London to enable you to see more of the city's great art. Whether this is your first visit to Great Britain, or you frequent London often, this map will make the most of your time

The ARTWISE® London Museum Map is a detailed map of central London. Museums, gallery walks, and other cultural institutions are clearly identified and indicated on the map. An inset map of the London Underground metro system (the Tube) is included and all stops are clearly marked on the main map to better serve your travels around the city. The museum index lists museums with text covering address, the nearest Tube stop, hours, admission charge information, telephone number and a brief description of the museum's collections. This stylish culture map of London will enable you to visit more museums and other sites than by any other means.
