Learning Of Jesus Christ In The Gospel Of Luke is a study of the book of Luke. It is organized into short daily devotional sections. The book is directed at making the teachings of Jesus Christ come alive to us. Our Saviour spoke living words which have the power to speak to us living today. If we are able to open ourselves to hear the voice of the Son of God, He will lead us directly to the Presence of the Lord. It can happen for those honest souls who would dare to make the Bible speak to them now. This book, like all the author's books are an attempt to bring us that much closer to God. Jesus, His example and His teachings can take us there.
