# Les infections urinaires (Monographies en urologie) (French Edition)

## Les infections urinaires (Monographies en urologie) (French Edition)

*Les Infections urinaires* propose une mise à jour sur les connaissances concernant l'épidémiologie de l'infection communautaire, sur les mécanismes de la résistance bactérienne et sur certains aspects de la maladie utiles autant aux urologues qu'aux infectiologues, gynécologues, urgentistes et médecins traitants.

L'infection urinaire nosocomiale est abordée sous l'angle des facteurs de risque. La prostatite aiguë et chronique a fait l'objet d'une conférence de consensus soutenue par l'Organisation Mondiale de la Santé dans le cadre des Conférences Internationales de Consensus en Urologie à Paris. Le texte intégral et les recommandations sont rapportés avec l'accord de leurs auteurs. Cet ouvrage est un livre d'auteurs et non le livre d'un auteur car l'infection urinaire est multiple, complexe et justifie d'une approche multidisciplinaire.
