Meg's natural abilities as a spy prove useful in this time of unrest. The Spanish Court is visiting, and with them come devious plots and hidden political motives. As threats to the kingdom begin to mount, Meg can't deny her growing attraction to one of the dashing Spanish courtiers. But it's hard to trust her heart in a place where royal formalities and masked balls hide the truth: Not everyone is who they appear to be. With danger lurking around every corner, can she stay alive—and protect the crown?
