Rich Friends Jacqueline Briskin

***New York Times*–bestselling author Jacqueline Briskin’s steamy romantic saga about two generations of a privileged California family that chases the American dream, from the post–World War II boom years to the turbulent, psychedelic 1960s**

The year 1946 in America is a time for seizing opportunities—and the best way for a woman to get ahead is to marry well. Descended from the wealthy Van Vliets, owners of a successful supermarket chain, Em Wynan is the first of her sorority sisters to walk down the aisle with a handsome war veteran. Nine months later, she delivers fraternal twin sons. Em’s younger sister, the fun-loving Caroline, is her polar opposite, championing liberal causes at UCLA and falling in love with a radical writer. For Caroline’s best friend, Beverly Linde, finding the right husband is more complicated because as a Holocaust survivor, she will carry the stigma and horrors of World War II forever.

Set against the backdrop of a radically changing American landscape, the lives of these three women intersect through decades of friendship, rivalry, love, and inconsolable loss. As Em, Caroline, and Beverly’s children come of age during the 1960s—a time of danger and drugs, the breakdown of society’s sexual taboos, and inner peace found among bizarre cults—they discover that parents cannot always save their children from tragedy, even if they have powerful, rich friends.

Steeped in atmosphere and authentic historical detail, Jacqueline Briskin’s novel of ambition, hope, and family still resonates today.

From reader reviews:

Dorothy Marr:

The guide with title Rich Friends includes a lot of information that you can find out it. You can get a lot of profit after read this book. This book exist new information the information that exist in this reserve represented the condition of the world right now. That is important to yo7u to learn how the improvement of the world. This particular book will bring you in new era of the globalization. You can read the e-book on your own smart phone, so you can read that anywhere you want.

Carmen Jensen:

In this period globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of personal references to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher that print many kinds of book. The particular book that recommended for you is Rich Friends this reserve consist a lot of the information of the condition of this world now. This specific book was represented so why is the world has grown up. The language styles that writer use to explain it is easy to understand. Typically the writer made some research when he makes this book. That's why this book suited all of you.

Gayle Oconnell:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Rich Friends can make you sense more interested to read.

Priscilla McNeil:

Many people said that they feel uninterested when they reading a reserve. They are directly felt that when they get a half portions of the book. You can choose typically the book Rich Friends to make your own reading is interesting. Your own personal skill of reading skill is developing when you such as reading. Try to choose very simple book to make you enjoy to learn it and mingle the impression about book and looking at especially. It is to be first opinion for you to like to open a book and read it. Beside that the e-book Rich Friends can to be your brand new friend when you're feel alone and confuse in what must you're doing of the time.
