**Turn the pages of this sci-fi adventure and decide your fate!**

U-Ventures®: Edward Packard's classics, revised and expanded for today's readers! The best in interactive adventure fiction—challenging, stimulating, and tremendous good fun! Also at the App Store on iTunes.

In *Through the Black Hole*, you're in command of the most advanced spaceship in the galaxy on the wildest mission in history—trying to make it through a black hole. Why? Because beyond the black hole may lie a whole new universe. Some scientists say it can't be done. They say you'll be compressed into nothingness by tremendous gravity. They say that there are no other universes where humans could survive. They may be right. But what if they're wrong?
