## **A Feather on the Breath of God: A Novel** Sigrid Nunez

A young woman looks back to the world of her immigrant parents: a Chinese-Panamanian father and a German mother. Growing up in a housing project in the 1950s and 1960s, she escapes into dreams inspired both by her parents' stories and by her own reading and, for a time, into the otherworldly life of ballet. A yearning, homesick mother, a silent and withdrawn father, the ballet--these are the elements that shape the young woman's imagination and her sexuality. It is a story about displacement and loss, and about the tangled nature of relationships between parents and children, between language and love.
