## Drastic Maud Casey

Meet the college graduate working in a whole body–donation clinic; a young woman obsessed with Benedictine monks; a middle-aged woman who becomes a stand-in talk-show guest; unlikely friends who meet in a domestic violence shelter; a young girl and the father who stole her away to escape his wife's mental illness; a graduate student from a suburban family who believes her physical connection to the world is deteriorating. Maud Casey -- author of *The Shape of Things to Come*, a *New York Times Notable Book* -- explores how we survive modern crises of loss and love through the lives of emotional and geographic nomads. Each flirts with madness and self-destruction while reaching toward life. These simple gestures of optimism and vitality, gorgeously rendered, make drastic an unforgettable collection.
