The Colorado River: Flowing Through Conflict

Peter McBride & Jonathan Waterman

The Colorado River: Flowing Through Conflict Peter McBride & Jonathan Waterman

Supplying vital water to more than 30 million Americans living in the arid West, the Colorado River is one of the most diverted, dammed, and heavily litigated rivers in the world. In full-color, photo essay format, *The Colorado River: Flowing Through Conflict*, follows the river's epic 1,450-mile journey from its headwaters high in the Colorado Rockies to its dried-up delta touching the Sea of Cortez. With striking photography and authoritative prose, Peter McBride and Jonathan Waterman illuminate the historical, geographical, and environmental significance of this life-giving river.
