Where Have I Been All My Life?: A Journey Toward Love and Wholeness Cheryl Rice

Where Have I Been All My Life? is a compelling memoir recounting one woman's journey through grief and a profound feeling of unworthiness to wholeness and healing. It begins with the chillingly sudden death of Rice's mother, and is followed by her foray into the center of mourning. With wisdom, grace, and humor, Rice recounts the grief games she plays in an effort to resurrect her mother; her efforts to get her therapist, who she falls desperately in love with, to run away with her; and the transformation of her husband from fantasy man to ordinary guy to superhero. In the process, she experiences aching revelations about her family and her past—and realizes what she must leave behind, and what she can carry forward with her.
