Apostle Paul: A Novel

James Cannon

Apostle Paul: A Novel James Cannon

The iconic Saint Paul – in his lifetime a scholar, prosecutor for the high court of the Jews, accomplice in murder, adventurer, traveler, orator, writer, advocate, and organizer of a new faith – was in fact a Jewish-Hellenistic citizen of the Roman Empire, a man who by the force of his intellect and indomitable will changed the course of history. Eventually he became the leader of the movement that delivered the social and moral authority of Christianity to a pagan world. His quality of mind and ability to exhort and persuade, his personal commitment to ethical conduct and values, and his courage and indefatigability made Paul one of the continuing forces in the progress of Western civilization.
