Audubon Birds Page-A-Day Calendar 2008

Fred Baumgarten

Audubon Birds Page-A-Day Calendar 2008 Fred Baumgarten

It's no secret that birders are a passionate bunch, not to mention a sizable bunch— 70 million strong in the United States. And bird people love the Audubon Birds Calendar, from the organization synonymous with birds. For 2008, here is another year of fantastic sightings from around the world. A spectacular Great Gray Owl. The curly crested Bare-faced Curassow. A Rufous-backed Kingfisher, cloaked in purple, red, and yellow. A Southern Grey Shrike—part of the family nicknamed "butcher birds" for their habit of impaling prey on thorns. Plus shore birds, desert birds, birds of prey, tropical birds, and backyard birds, too. The gorgeous photographs are accompanied by spirited and authoritative text.
