## Comentario Bíblico Concordia (Spanish Edition) Various Authors

Este comentario ha sido desarrollado especialmente para el uso de laicos. Ofrece más beneficios de lo que el lector podría encontrar en comentarios de muchos tomos. Una obra inédita por su claridad de las explicaciones, aproximación reverente al texto, y una perspectiva cristocéntrica de la historia bíblica y profética.

En esta obra no encontrará extensos comentarios sobre arqueología antigua o el procedente de términos hebreos o latinos. Este comentario tampoco proyecta dudas sobre la veracidad de las narraciones bíblicas. Éste es un comentario para quien desea hallar buena información y se pregunta qué otras opiniones hay sobre un pasaje específico.

Este comentario provee todo lo que usted necesita; introducciones fáciles de entender, un bosquejo de cada libro bíblico, y una extensa guía de referencias bíblicas; exactamente lo que usted esperaría de un comentario académico, pero escrito para uso personal e inspirador.

This commentary is created and tailored for lay use. It gives readers everything found in more expansive commentaries. This resource is clear, reverent, and Christ-centered in its view of Bible history and prophecy.

You will find no extended statements on ancient archeology or Latin and Hebraic word sources. Nor is doubt ever cast on the truthfulness of the Bible's statements. This commentary is for the individual who seeks more information or is wondering what others say about a certain passage.

It is all here: from highly informative and readable introductions to each book of the Bible to some very thorough cross-referencing of Scripture; exactly what you would expect from any good commentary . . . yet constructed especially for your private and inspirational use.
