Never stop running. No matter how often life trips you up or how many times your enemies knock you down, just get up and keep on moving until you find where you belong.

Kelly Phillips has been out and proud since he was a young teenager, and thanks to the gay youth group he frequents, he's never been short on friends or lovers. But when you have almost everything, it's hard not to focus on what's just out of reach: a best friend who would be Mr. Right if he wasn't already Mr. Straight. Or that handsome athlete at school who would be easier to wrangle if not for his angel wings. And then there's the guy who might be a perfect fit, maybe even a soul mate...if only he wasn't convinced he didn't need anyone. Kelly has always been good at running. Now he must learn to chase, which will test not only his endurance but the durability of his heart as well.

Something Like Lightning is a new beginning in the Something Like... saga, shifting the focus to a different set of characters while also revisiting a familiar face or two.

The Something Like... series:
