Inside Out: Worship in an Age of Mission Thomas H. Schattauer

Applying theology to worship and to the practice of liturgy, this innovative work reclaims the importance of word and sacrament as the center for the church's life and witnesses. Drawing connections between liturgy and life, this collection of essays deepens worship-life by helping congregations "to talk with each other about the ways we encounter the living God in worship;" and by strengthening "skills that enhance worship." Inside Out: Worship in an Age of Mission addresses pastoral liturgical and sacramental issues at work in congregations today and offers a comprehensive vision for congregational life centered around word and sacrament.
