C. S. Lewis

## La abolición del hombre (Spanish Edition) C. S. Lewis

Asombroso y profético, La abolición del hombre sigue siendo una de las obras más controvertidas de C.S. Lewis. Lewis se propone persuadir a su audiencia sobre la importancia actual y la relevancia de los valores objetivos universales, como el coraje y el honor, y la necesidad fundamental de la ley natural. También hace un caso convincente de que el retirar uno de estos pilares de nuestro sistema educativo, aunque sea «en nombre de la ciencia», sería catastrófico. National Review lo coloca en el número siete en sus «100 mejores libros de no ficción del siglo XX».
